

Α.190/Ε2: SUBJECT/TEACHING EVALUATION QUESTIONNAIRE BY STUDENTS

The questionnaires are distributed during class towards the end of the course and are returned anonymously by the students. The completed questionnaires are collected and returned to the Secretariat of the Department in a sealed envelope.

The completion of this confidential questionnaire is very important. It incorporates useful information used for **the evaluation of the teaching staff**. The comments at the end of the questionnaire are of special value.

Course / duration / hours per week:

Teacher (full name):

Date:

Grading Scale

Not at all	A little	Average	A lot	Excellent
1	2	3	4	5
Unacceptable	Not satisfactory	Average	Satisfactory	Very Good

Evaluate the following suggestions checking X the appropriate box:

A. The course – The teacher:	1	2	3	4	5
1. The courses are well organized and the teacher is consistent to his/her programme.					
2. The teaching material that he/she uses (book, photocopies with extra material, cd, power point presentations, the Internet) is satisfactory.					
3. He/She makes the lesson interesting.					
4. He/She creates a pleasant surrounding.					
5. He/She presents grammar and vocabulary through texts, dialogues, examples of usage, tables, exercises.					
6. During the lesson different types of oral and written activities are used.					
7. He/She encourages students to ask questions.					
8. He/She was consistent to his/her obligations (presence in classroom, correction of exercises, showing interest in all his/her students).					
9. He/She is generally accessible to the students.					
10. He/She speaks clearly, corrects and explains our errors in a comprehensible way.					
11. He/She gives us the chance to talk (individually or in groups, having role-playing, giving presentations, e.t.c)					
12. He/She incorporates, where possible, elements of everyday life in Greece and elements of Greek civilization in the lesson.					

B. I the student:	1	2	3	4	5
1. I attend classes regularly.					
2. I participate in class discussions and activities.					
3. I do my written assignments/exercises regularly.					
4. I study the teaching material regularly.					
5. I am satisfied with my performance in class.
